

Fayette Women's Golf Association- Board Meeting - 10-28-16

The meeting was called to order at 10 AM by President Greer Klesk. The following were in attendance: Lynn McCoy-Simandle, Greer Klesk, Carol Von Dielingen, Roz Tender, Olive Gallagher, Sandi Morgan and Mary Anne Ambroziak. Mary Anne agreed to take minutes of this meeting.

First on the agenda was that a sign-up sheet will be created by Greer with names and dates of who will take notes at future meetings. If your name is on the list and you cannot attend that meeting, please find a substitute.

Second was reimbursement of dues for officers, if they so wish. No one at this time asked for a reimbursement.

Third: Membership dues. After some discussion it was decided that the dues will remain at \$60 for next year, and \$5 for chip-ins.

Fourth item was a discussion on whether the Club Championship should remain a two day event. It was decided to leave it as such.

Fifth was a review of Monthly events. The two ladies team event is being scratched because of a lack of enthusiasm in regards to finding a partner. There will be regular play on that day. All other tournaments will be kept and all will be one day events.

Sixth item on the list was prizes for the Presidents Cup. Greer said she would donate the prizes for this event so no money from the dues need be allocated. Thanks Greer!

Seventh was a discussion about getting a group of names of people to assist Sandi Morgan at the table on the morning of play. Greer will take care of the list.

Eight on the agenda was a question about mixing up the groups for play so that more people played together. ABCD groups will be mixed once every three weeks along with the walkers. There will be a walker bag and a rider bag to draw from.

Ninth on the agenda was treasurer's report. Roz had a final tally of money and split the amount accordingly. When she knows the official name of the new Nine hole group a check will be cut.

Tenth was a discussion about putting information on the website about the nine-hole group. It was decided not to do it.

Eleventh on the agenda was finding a replacement for our Sunshine Chair. Joann Nevitt has done it for a great number of years. Thanks JoAnn! Two names were mentioned for the position and will be asked ASAP.

Final point was about allowing other golf businesses to have the e-mail addresses of people in our group to sell golf equipment etc. This was quickly voted no on. Our Pro from our Club is the only exception.

As there was no further need for discussion and no new business, the meeting was closed at 11:05PM.
