

FWGA Board Minutes

Tuesday, July 16, 2019
Kearney Hill Golf Course

Members Present: Lynn McCoy-Simandle, Diane Abbott, Kathy McArdle, Lynda Campbell, Greer Klesk, Deborah Slaton, and Jacki Kirby. Absent: Olive Gallagher, Coleen Sydor and Sonya Renfro

League Members Present: Lexi Calabrese, Janice Holmes, and Pat Litzinger.

President Lynn McCoy-Simandle called the meeting to order at 1:00 pm and welcomed members of the league.

The President announced that Vice-President Sonya Renfro, due to family obligations, would be unable to serve as President for the 2020 season. Diane Abbott has agreed to serve as chair of the nominating committee to find a president and a vice president for 2020.

With the upcoming league tournament on August 27th and 28th, the president asked the board to determine a procedure for possible rainouts during the tournament and subsequent rain dates on Sept. 4th and 5th. With the unique weather experienced by the Lexington area this year, it is possible, although highly unlikely that three or four of the dates could be cancelled. The Women's Senior Tournament is scheduled for September 10th and 11th, which members felt should be promoted by the league and not used as dates for our rescheduled tournament. After much discussion from the board and input from the league members regarding, the board decided on the following:

1. While a two-day tournament is ideal, if three days are cancelled due to weather, the one day that is played will determine the 2019 league champion.
2. In the unlikely event that four days are cancelled, September 17th will be used as a one-day tournament.

3. Should September 17th also be cancelled, the 2019 season would not have a league champion.

Although members felt that the likelihood of tournament cancellation was remote, members felt there should be a plan in place given the unpredictability of the weather this year and that league members should be informed of the plan prior to the tournament dates.

After asking for additional business items and receiving none, the meeting was adjourned at 2:00 pm.
