Load USGA Tournament Management App (Golf Genius) to your android, iphone, or ipad. At this time if you have any questions regarding this procedure call Kathy McArdle, our Pairings chairperson.

Lexi Calabrese explained that Roz Tender had received four passes from Curtis Mitchell from Lexington to allow free golf for 1 year to their 5 public golf courses. The number of tickets per individual was based on the number of times played last year plus 1 extra for attending spring meeting. Four passes were divided between four flights of players, based on where your handicap fell at the end of last season before our final scramble.
