

President, Lexi Calabrese called the meeting to order at 1:10.

Spring Member minutes from April 11, 2023 were reviewed and approved.

Treasurer, Sandra McCully discussed the treasurer's report and indicated we finished the season with \$741.05 in the black and Girls Fore Girls has \$2547.53. She was able to get a CD for \$2500 of that money at 4.5% for 11 months, which should earn a little over \$100. Sandra went over several items on the report-payouts for weekly winners, chip-in's, Club Championship, etc. Scramble food was \$50 less because Greer Klesk was able to pick up the food saving us money. We ended the season with a total of 50 members, up 6 from last season.

The 2024 slate of officers for the FWGA board is and approved.

Old Business-pace of play is getting better, but still needs work. We will continue to work on this. Players that played from forward tees were pleased with how that turned out. Having a member/guest event early in the season to bring in new members was discussed.

New Business-we discussed doing something (perhaps a tournament) to honor Lynda Campbell and past members. It was decided to discuss this next year at Spring meeting. There will be post season play on Tuesdays as long as weather permits. Lexi will coordinate this and send out emails. A suggestion was made to have later tee times in May and September due to school traffic issues. This will also be discussed later, but before Spring meeting.

Awards presentation was conducted, and again a Congratulations to Sarah Jang, our 2023 FWGA Club Champion.

Motion was made by Shirley Caudill to adjourn at 2:00 and was seconded by Janet Clark. Adjourned.

Respectfully submitted by
Diane Abbott
